

February 26, 2011

Welcome to our 42nd year of softball!! Our Board is busy preparing for registration for the 2011 softball season. We hope you and your family are excited for another summer of softball fun.

REGISTRATION @THE BERKLEY COMMUNITY CENTER
WEDNESDAY, MARCH 2ND 7:00 PM – 9:00PM
SATURDAY MARCH 5TH 9:00 AM - 12:00 PM

The prices have stayed the same as last year with the Little Sluggers \$40.00, Elementary League \$65.00 and the Junior High \$75.00. Our High School Summer team will be \$95.00 but at this time we will just be taking names and registration forms and no money.

Again this year, our Junior High league will be wearing pants instead of shorts. We will be providing pants for our Jr. High league, the cost of the pants is included in the registration fee and you may keep them at the end of the season. As for the girls who already have them from last years season and the fall it will only be \$70.00. You must let the ladies no at the registration table no that you already have gray pants so when figuring your total the \$5.00 is taken off. If you need pants there will be separate forms to fill out so remember to please do that, it will include size of the pants you need.

Last year we increased playing time at the Junior High League and will be the same again this year. We will play on Tuesday and Thursday; however, there will be two 6:00pm games, played at Merchant I and Merchants II and one 8:00pm game played at Merchants II. We will be starting our season on May 16th and ending with playoffs being on July 9th. Our first practice will be on April 18th with weather permitting.

Thank you for all the support you give us and see you on the softball fields.

Sincerely,

Darla Brandon
